

AN INTERSTELLAR RIDE

The Computer Society (Jr.) successfully organized its 4th event of the year 'An Interstellar Ride' and released its annual newsletter Bitz on 4th December, 2018. An interstellar Ride was a digital life-sized board game designed to test the strategic abilities of the participants. The students took part in teams of two. The event began with an elimination round where participants had to answer a series of Logical, Mathematical and General Knowledge questions in order to qualify for the next round.

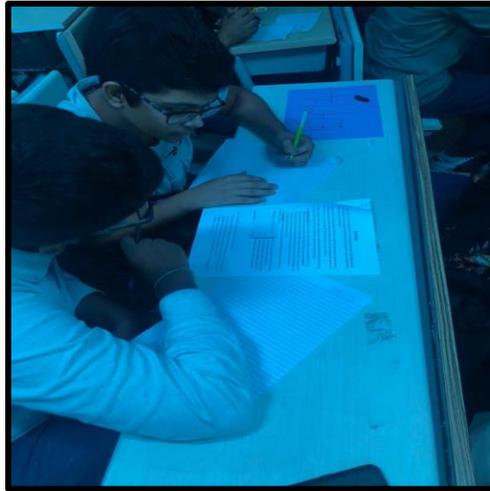

This was followed by the release of Bitz , the annual newsletter of the Computer Society (Jr) containing thought provoking articles and testimonials. The newsletter was released by our respected principal, Dr. Parag Ajagaonkar. Our Self-Finance courses Coordinator Mrs. Gomathi Iyer and our Vice Principal Mrs .Geetha Menon also graced the occasion with their presence. Gomathi ma'am inaugurated the digital version of Bitz which could be accessed via a QR code.

They addressed the audience with their inspiring words and reminded them of the importance of teamwork. This was followed by the felicitation of the core members of the computer society.

The Top 6 teams securing the highest score in the elimination advanced to the next round which was the board game. They answered various challenging questions and performed tasks in order to move ahead. They had to prove their mettle by being the fastest. The game had several interesting elements like bonus rounds, a black hole, challenge rounds and tasks involving the audience.

The participants were given a boost based on their scores in the elimination round. At the end of the rounds the game resulted in a tie. Tie breaker questions were presented to the players to decide the winners. The best 2 teams claimed podiums.

Vrushti Mehta and Ishika Shah (fyjc I) secured the first place and Karan Shah and Dhruvil Joshi (fyjc I) came second. They were given vouchers from The weekend plan and Sundaram books. The event ended on a high note with the felicitation of the winners.
